ARCC BUSINESS PLAN

MARCH 2022

Following the recent release of our Strategic Plan 2022-2025, we have developed our Business Plan for the new financial year (1st April 2022 until 31st March 2023). This plan will guide the organisation's work over the next 12 months, setting the actions and goals we would like to achieve in this timeframe. We're excited to see this plan turn into reality, and are already working hard to deliver on what we have set out to achieve.

ARCC AND MSD CONNECTION

MARCH 2022

ARCC management met with the Ministry of Social Development's (MSD) Regional Commissioner Mark Goldsmith on 30th March. This was a great opportunity to connect with MSD, with discussion around employment, housing and food. This has led to further connections with MSD's Contracts Manager, Employment Manager and Housing Manager, exploring how ARCC and MSD can work positively together moving forward.

YOUTH UNITED VOICE SELF-EMPOWERMENT AND SELF-ADVOCACY TRAINING

MARCH 2022

We held a training for young people on March 2, with Self-Empowerment trainer Judy Lightstone. It was well-received, and people requested to continue the training, so there will be more to come.

The training involves learning to say "no," developing healthy boundaries, and learning how to speak up.

COMMUNITY SUPPORT SERVICE DEVELOPMENT PLAN

MARCH 2022

Through our Community Support Service we support resettled community members with social concerns that they are facing across a range of issues such as housing, education, health and WINZ social support. As a team we have recently put together our Community Support Service Development Plan, which has reflected on the strengths of the service that we offer, as well as identifying ways that we can further develop this service over the next year or two, as we strive to do even better for our community. In delivering this plan we look forward to continuing to provide valuable support to resettled community members whilst enhancing the level of service received. Any community members that need support with a social issue that they are facing should contact our Community Support Coordinator Hnin Pwint (p: 022 192 7260, e: pwint@arcc.org.nz) or Community Support Worker Faisal Farghaly (p: 021 0833 5492, e: faisalfarghaly@gmail.com).

POLICE ETHNIC RELATIONS OFFICER

APRIL 2022

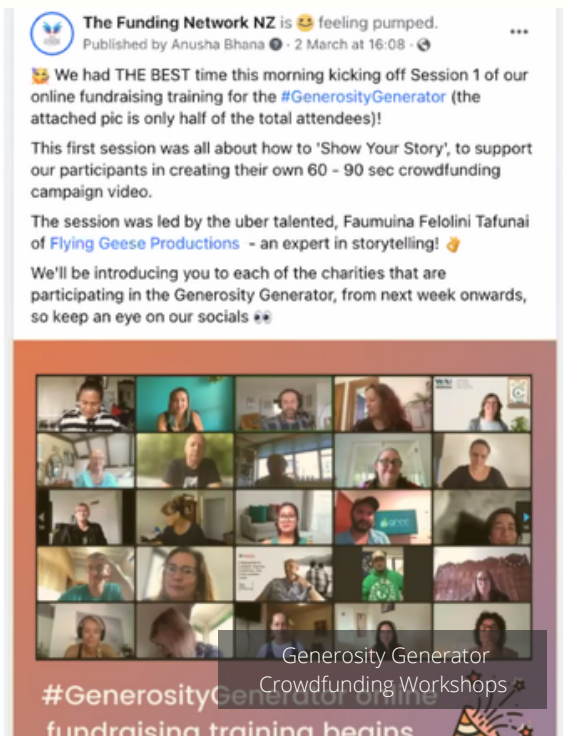

In early April CEO Abann and Development Manager James met with Ethnic Relations Officer Abtin Karimi and Rob who has just left this post to become a Youth Relations Officer with New Zealand Police. The visit was an opportunity for Abtin to be introduced to the ARCC team. On 26th April James and Community Support Coordinator Hnin Pwint met again with Abtin to find out more about how New Zealand Police can support community members when they need support, such as in cases of harassment, cyber-bullying or family violence.

GENEROSITY GENERATOR CROWDFUNDING WORKSHOPS

MARCH 2022

The Funding Network hosted their first-ever Generosity Generator crowdfunding workshops for over 34 non-for-profit NGOs in New Zealand. CEO Abann, Development Manager James and Communications & Engagement Officer Asif joined the series of workshops across 2 weeks. The workshops included how to engage with your audience, how to make a crowdfunding video, and how to use the GiveALittle platform. ARCC is thankful to The Funding Network for providing the great workshop series.
